Descriptions:

DeMolay History: Join Brothers Daniel Lora and Eric Parsons as they explain the history of the Order of DeMolay and of the life of Jacques DeMolay. Ever want to know about Jacques DeMolay's life? Or learn more about our incredible organization? Then this is the class for you! Come and learn the lesser known aspects of Jacques DeMolay as a knight, the origins of our Order and how the two are related.

Ritual & Floorwork: Have any trouble with your ritual or floorwork? One part keeping you up and giving you nightmares? This is the class for you. Learn how to fine tune your ritual and floorwork, what common mistakes are made, and how to be a better overall ritualist.

Priory: Members who are 17 to 21 will definitely want to attend this class, Prior is for the older members of DeMolay, and Brothers Jacob Yanovich and Winston Joseph will explain the program in detail. Jacob and Winston have been working diligently to lay the groundwork to bring Priory back to Massachusetts, and now it's your turn to learn about it! Come and get the scoop on what it is, why it's just now returning and what the plans for the future are. Are you ready to join when the time comes?

Etiquette: As we are coming into the age of manhood, certain aspects of life often get overlooked. Brother's Jacob Yanovich and Winston Joseph are going to teach the timeless art of etiquette. Whether at a DeMolay meeting or a job interview, these skills will ensure you look and act the best you can.

Public Speaking: Everyone will be asked, at some point in life, to make a presentation or speech to a group of people. Brother's Daniel Lora and Eric Parsons are going to teach you the tips and tricks of effective public speaking. Those butterflies will be gone in no time!

Basic Outdoor Survival: Brother Brett Pelletier is here

to teach you basic survival skills, including what equipment to bring, how to start a fire without matches and how to get food. Don't miss an opportunity to learn life-saving skills, so you'll be prepared the next time you go outdoors!

Caucus Meetings/Constitutional Review: The purpose of Congress! Delegates will go over the existing constitution and then the proposed new constitution. The delegates will be briefed in Roberts Rules and be prepared to debate in detail the proposal before Congress. To further the process, Delegates will meet in caucuses beforehand to further prepare them for the legislative demands before them.

Can-Tab Challenge: As you all remember, "Dad" Ted Polonsky, Chairman of North Shore Chapter, laid down a challenge to all of Massachusetts DeMolay to see who can collect the most can-tabs. During registration, we are asking that every chapter brings their can-tabs to be weighed. The winning chapter will be announced during lunch, and will be given a cool \$100 on the spot!! You still have 3 weeks to collect them, so get out there and help support a great cause.

Membership Overview: Yes, here it is again. The State Master Councilor, David William Arthur Abbott, will be giving a presentation on the Spring Membership Drive. All are required to attend (including advisors), as membership affects all, not just some. Let's continue to grow DeMolay in Massachusetts!

Conclave Focus Group: Just like at Leadership Summit, the State Officer's will be leading focus groups to get the member's true opinions on our biggest event; Conclave. Bring all the ideas you have (we know there's many) and be prepared for an intense discussion on what you want to happen at Conclave.

Dress for the day is shirt and tie, jackets optional.
